Water Rents Due.

Water rents now due and are subject to a discount of 10 per cent if paid before January 1. Not taking advantage of this discount is equivalent to borrowing money at the rate of 40 per cent per annum. Can you afford this?

For This Morning's Court.

Fannie Kraus and Louis Kraus were arrested last evening by Officer Buch for disorderly conduct. Erb Consey, a vagrant, was run in by Officer Desmond. B. Tyson was locked up last night by Lieut. Gaus for hitting a man the night before.

Council this Evening.

A regular semi-monthly meeting of the city council will be held this evening. The only business of special interest or importance that is known to come up is the appropriation ordinance for the first three months of the year 1894, as recommended by the finance committee last week.

That Sewer Pipe Combine.

A man who is in position to know assures the *Tribune* that all the talk about the recently organized sewer pipe association not being a go, is simply wind work, and that the combination will surely go into effect about the first of the year, and that is a reasonably sure prediction that the office will be located in Toronto.

New Street Car Transfer.

Yesterday morning for the first time the electric cars of the Wheeling Railway company began to run into Bridgeport over the new back river bridge and to make direct connection with the Ohio side cars. Transfer tickets will be issued by each line for the other's cars. The arrangement will no doubt prove a great improvement on the former one.

John S. Trimble's Funeral.

The funeral of the late John S. Trimble will take place at 10:30 o'clock this forenoon from his residence, 123 Fourteenth street. In addition to the Masonic and A. O. U. W. lodges, of which he was a member, the Builders' Exchange will also turn out in a body. These organizations and other friends will take special cars on the Elm Grove road at the east end of Fourteenth street on McCulloch, where the cars will be in waiting when the cortege arrives there.

Mr. Pendleton's Finances Dying.

A Parkersburg dispatch says that when the residence of Hon. G. J. Arnold, Braxton county, was burning last Sunday night, it was necessary to carry his daughter Genevieve, who was ill with typhoid fever, to a place of safety. She has suffered a relapse, caused by the exposure and excitement, and her recovery is doubtful. Miss Arnold is the fiancée of Congressman Pendleton, and the nuptials were to have been celebrated early in the year. The *Intelligencer* is unable to confirm this dispatch.

At Old Franklin.

The contest between the Philosophic and Jefferson literary societies of Franklin college, New Athens, O., on Friday night was one of the best ever held. The following won by a majority: Select oration, Miss Mattie Justice; original oration, A. B. Minamyer; debate, J. T. Fulton. Miss Cora Sewell won the unanimous decision. The Philos won every performance. A few years ago the Jeffs did the same thing. The judges were Rev. J. R. Keys, Prof. Rea and Judge Driggs. The receipts were \$115.

The term just closed was one of the most prosperous in the history of the college, and a still larger attendance is expected next term, beginning January 2.

In Jail for Robbery.

Louis Vogel was arrested at Bellair yesterday on a charge of highway robbery preferred by Charles Sells, a railroader, whose home is in Bridgeport. Sells and another railroader named W. H. Morris visited the Vogel ranch on Saturday night. Both were drinking and Sells swears that Louis Vogel gave him a drink out of a bottle that was dosed and gave Morris a drink out of another bottle. Sells became stupid and Vogel started to go through him. He resisted and Vogel floored him and robbed him. Both men support the charge and it seems probable Vogel will be sent up. This is the same ranch where the father and son were both sent to jail for keeping a disorderly house the last term of court. They only got out a short time since.

RHEUMATISM originates in the morbid condition of the blood. Hood's Sarsaparilla cures rheumatism. Get only Hood's.

Read Geo. R. Taylor's double-column advertisement of this morning. It means exactly what it says.

Bry Gold Spectacles for Christmas gifts from Prof. Shell, the only Scientific Optician in the city, 1110 Main street. See advertisement on fourth page.

FIRED BY THIEVES.

A Barn and Its Contents Near St. Clairsville Burned.

A barn and contents on the farm of Robert Hammond, one and a half miles from St. Clairsville, was burned about three o'clock yesterday morning.

The barn, one of the best in the township, was insured for \$1,000. The contents were one hundred bushels of wheat, sixty tons of hay and farming implements. Twelve chickens were roosting in the barn and when the fire was first discovered two of the chickens were seen in a field quite a distance from the barn. The supposition is that the fire was caused by chicken thieves.

The total loss will be from \$3,000 to \$4,000.

The Kickapoo Feted.

Col. Mike Hearn entertained the Kickapoo tribe with an opossum supper on Sunday evening. In spite of this big feast every brave showed up at the wigwam yesterday, and denied the story circulated by Slow Feet that the savory dish was Cheat mountain wildcat instead of opossum. This will cost Slow Feet many beads at the next council of the tribe.

FEMALE and capricious appetites are best regulated by the use of Ayer's Cathartic Pills. They do not debilitate, by excessive stimulation; but cause the stomach, liver and bowels to perform their functions properly. As an after-dinner pill, they are unequalled.
